

## WORKSHOP:

# After-School Art in Katoomba

**Affordable Art classes in the Blue Mountains specifically designed for children aged 5-8 and 8+ to have fun being creative!**

Our relaxed and creative home studio space in Oatley Avenue (off Lurline St) is conveniently located in a quiet street near the Katoomba CBD and South Katoomba primary schools. **Perfect for parents who want to do a bit of shopping or relax at the cafes nearby.**

We keep class numbers small so your child will receive quality art teaching. With the guidance of Sally, a qualified and experienced Art & Design teacher, your child will explore and experiment with a range of art materials and learn about artists and different cultures through themed projects.
